

Chapter X.X In-class Exercise

Info: In-class exercises are meant to introduce you to the new topics of this chapter of the book. Each part will have an introductory description of the content and example(s), followed by practice problems for you to work on.

These assignments are **team assignments** - your team will turn in *one* copy of the exercise. It is up to your team how to approach the assignments; you can work separately and then check your work together, or you can collaborate on the assignment together.
